Dear Mary Ellen:

I am happy to write this letter of commitment in support of your request to the Dollar General Literacy Foundation. Reading Is Fundamental (RIF) of Austin is eager to partner with ACEE in this project.

RIF of Austin commits to conduct a Family Fun Night at Winn Elementary, as well as provide support of the other elements of your program as needed.

Our past partnerships with ACEE have always resulted in quality programming being provided to at-risk families in Austin, and I look forward to continue working with this fine organization to create more opportunities for literacy in Austin.

Sincerely,
Pat Fuszek
