

Dear AmeriCorps Alum:

The AmeriCorps for Community Engagement and Education (ACEE) / AmeriCorps for Math and Literacy ('94-'97) project and the recently formed Capital Area AmeriCorps Alumni Network (CAAAN) would like to offer you an exciting opportunity to continue your dedication to national service and become connected to other alums like you!

The Capital Area AmeriCorps Alumni Network was created to sustain an alumni network engaged in supporting current and former members and continuing efforts in national and community service. CAAAN! is comprised of alumni located in the Austin area that served through all streams of AmeriCorps programs (*State, *National, *VISTA, and *NCCC) and continue to be engaged in improving the health of our communities.

Joining CAAAN offers a wealth of opportunities, including:

- Opportunities to continue your service, such as group service projects (MLK Day, Austin AmeriCorps Awareness Day)
- Job resources and workshops
- An online support system where you can connect with other alumni, post your resume, discuss relevant topics in an online forum, and other services
- Attend meetings and social events with other alumni

Please take a few moments to log onto www.lifetimeofservice.org and register with the Austin chapter, a.k.a. CAAAN! Please sign up for the Free Trial Membership. They are still working out a dues structure to make the website sustainable, but we've been assured that for the foreseeable future it will be free of charge. Together we can continue to serve our community and our country. Remember, this is your world and your chance to make it better!

Sincerely,
Capital Area AmeriCorps Alumni Network
Who Can? We CAAAN!!!
