

Data Reporting Changes for the 2007-2008 School Year:

1. The Grade Level designation *Prekindergarten* has been changed to *Age 3-5*.

Corresponding tables: 1, 3, and 3A

2. The table 1, category 4, Enrollment by Primary Nighttime Residence at Time of Initial Identification, subcategory list has been changed and no longer contains the designation *Unknown*. There are now only 4 designations on the Primary Nighttime Residence subcategory list: *Shelters, Doubled-up, Unsheltered, Hotels/Motels*.

Table 1

3. The numbers to be reported in table 1, category 4, Enrollment by Primary Nighttime Residence at Time of Initial Identification, will now include all homeless students enrolled in the district, including those aged 3-5. Previously, this category excluded homeless preschool students.

Table 1

4. The tables 3, category 4, Students Receiving MV Services Who Also Received Educational and School Support Services, subcategory list has been changed and no longer contains the two designations, *Gifted and Talented* and *Vocational Education*. There are now only two designations in the Educational and School Support Services subcategory list: *Children with Disabilities (IDEA)* and *Limited English Proficient students*.

Table 3

5. In tables 2, 6, and 7, category 1, State-mandated reading assessments by grade, has been modified to include language arts assessments in addition to the reading assessments. In the past, the USDE only asked for reading assessment information. The USDE has expanded this category to include assessment scores for both reading and language arts. Therefore, the corresponding tables 2, 6, and 7 will now include information about TAKS scores for both reading and language arts, combined.

Corresponding tables: 2, 6, and 7
